Nothing is certain at this time of day
You could reverberate, you could decay
The mouse and the model are laughing at us
We'll risk it, we're desperate for someone to trust

Let's start a new heart, the new charts are in
We'll take them, we'll break them
We'll make them give in

By counting your blessings you wind up in debt
It starts with your family and ends in your bed
You Jekyll and Hyde it when you could have let
Your guard down, your dress up, you must be upset

Let's start a new heart, the new charts are in
We'll take them, we'll break them
We'll make them give in

It's dark over here on the flip side of reason
The teaser could be something easy like they did it in a
book
You're a crook, you're a fake, you're committed
If you did it, say you did it, if you didn't suck it up and
say you did

Let's start a new heart, the new charts are in
We'll tax them, relax them and make them forfeit
The vote by a landslide, the Jekyll and Hyde
Mackenzie macabre, she's Bonnie and Clyde
