Watch deeply

Many heroes at magazines

They have all bad dreams

And the souls of thousands

Of the fear and still they'll be...

I will be forgotten

You will be forgotten too

I will be forgotten

And you will be forgotten too

Lets take a walk

Out of this club

Into the snow

Where bell ling my afterglow

I will be forgotten

You will be forgotten too

I will be forgotten

And you will be forgotten too

I will be forgotten

And I will be forgotten

And you will be forgotten too

You will be forgotten too

I will be forgotten

And I will be forgotten

And I will be forgotten

And you will be forgotten too

You will be forgotten too
