Song by Southern Culture on the Skids

My baby's got the strangest ways of sayin'
Whoo-hoo, hoo-wee!

Strip of jerky, long and lean
Serve it up with a side of me

My baby's got the strangest ways of sayin'
Whoo-hoo, hoo-wee!

She's the one, she's crazy and wild
Knocked me off with the hip in her style

My baby's got the strangest ways of sayin'
Whoo-hoo, hoo-wee!

Got the number of the bathroom store
It was late but she took my call
Come on baby won't you give me a kiss
She not may see me through the bold of this
She's a meaner in a house on hill
Kicks me in bed, to the big old VIP
I rolled it up, oh baby you're so sweet
And there's a running naked in a country hip

She's the one, she's crazy and wild
Knocked me off with the hip in her style

My baby's got the strangest ways of sayin'
Whoo-hoo, hoo-wee!

Whoo- hoo!

My baby's got the strangest ways of sayin'
Whoo-hoo, hoo-wee!

My baby's got the strangest ways of sayin'
Whoo-hoo, hoo-wee!

She's a meaner in a house on hill
Kicks me in bed, to the big old vip

I rolled it up, oh baby you're so sweet
And there's a running naked in a country hip

She's the one, she's crazy and wild
Knocked me off with the hip in her style

My baby's got the strangest ways of sayin'
Whoo-hoo, hoo-wee!
My baby's got the strangest ways of sayin'
Whoo-hoo, hoo-wee!

My baby, my baby
My baby, my baby
