I don't want to
Go on without you
It's so bad to be alone
Oh baby come home
I need you
My room is so blue
I keep seein' your face
Oh, every place
Here in the gloom
Of my lonely room
I hold her memories
And smell her sweet perfume
I can't stand to
Live on without you
Oh my darlin' hear my plea
Come back to me
Here in the gloom
Of my lonely room
I hold her memories
And smell her sweet perfume
I can't stand to
Live on without you
Oh my darlin' hear my plea
Come back to me
I can't stand to
Go on without you
Oh my darlin' hear my plea
Go on without you
I can't stand to (no, no, no, no,)
Go on without you
Oh my darlin' hear my plea
Go on without you.....
I can't stand to.....
