Your mama says that through the week  
You can't go out with me  
But when the weekend comes around  
She knows where we will be

Kissin' in the back row  
Of the movies on a Saturday night with you  
Holdin' hands together, you and I  
Holdin' hands together

Smoochin' in the back row  
Of the movies on a Saturday night with you  
We could stay forever, you and I  
We could stay forever, you and I  
Huggin' and a kissin' in the back row of the movies

Every night, I pick you up from school  
'Cause you're my steady date  
But Monday to the Friday night  
I leave you at the gate, yeah

You know, we can't have too much fun  
'Til all your homework's done  
But when the weekend comes  
She knows where we will be, oh

Kissin' in the back row  
Of the movies on a Saturday night with you  
Holdin' hands together, you and I  
Holdin' hands together, baby

Smoochin' in the back row  
Of the movies on a Saturday night with you  
We could stay forever, you and I  
We could stay forever, you and I  
Huggin' and a kissin' in the back row of the movies

Oh, I sit at home at night and watch TV  
I still think of you  
But Monday to the Friday night  
We share a joke of two, yeah

You know, they don't knock on my door  
At the Friday night for sure  
But when the weekend comes  
She knows where we will be, yeah

Kissin' in the back row  
Of the movies on a Saturday night with you  
Holdin' hands together, you and I  
Holdin' hands together, baby

Smoochin' in the back row  
Of the movies on a Saturday night with you, yeah  
We could stay forever, you and I  
We could stay forever, you and I  
Huggin' and a kissin' in the back row of the movies,  
yeah

Kissin' in the back row  
Of the movies on a Saturday night with you  
Holdin' hands together, you and I  
Holdin' hands together, baby

Smoochin' in the back row  
Of the movies on a Saturday night with you  
Where we could stay forever, you and I
