A room full of tears
A room full of tears

Raindrops keep a-falling
(Raindrops keep a-falling)
Trickling down my window pane
(Trickling down my window pane)

As I sit here hoping
(As I sit here hoping) mmm
That you'll come back home again
(That you'll come back home again)

Since you've gone, I can't go on
I know my heart would surely break

Here in my lonely (lonely)
Left here with only (only)
A room full of tears
(A room full of tears)

Everyone keeps asking
(Everyone keeps asking)
If you're really gone away
(If you're really gone away)

My pride won't let me answer
(Pride won't let me answer)
I really don't know what to say
(Really don't know what to say)

I made you mine, you said goodbye
Oh, where did I make my mistake

Here in my lonely (lonely)
Left here with only (only)
A room full of tears
(A room full of tears)

All this strain and all this pain
Is just much more than I can take

Here in my lonely (lonely)
Left here with only (only)
A room full of tears
(A room full of tears)

A room full of tears
(A room full of tears)
A room full of tears
(A room full of tears)
