If you wanted that star that shines so brightly  
To match the star dust in your eyes  
Darlin', I would chase that bright star nightly  
And try to steal it from the skies

'cause I would give sweets for my sweet, sugar for my  
honey  
Your perfect kiss thrills me so  
Sweets for my sweet, sugar for my honey  
I'll never ever let you go

And if you needed a dream to keep you smiling  
I'll tell the sandman you were blue  
And I'd ask him to keep that sand a-piling  
Till your dreams would come true

'cause I would give sweets for my sweet, sugar for my  
honey  
Your perfect kiss thrills me so  
Sweets for my sweet, sugar for my honey  
I'll never ever let you go

If you wanted a love to last forever  
Then I would send my love your way  
And my love would only last forever  
But forever and a day
