"You're Not The 1"

I had givin' up on you
'Cause you have made it clear
You couldn't give a damn whether I was far I was near
But you heard I got a man and suddenly you're here
The challenge it must turn you on
'Cause I know you ain't sincere
What we had is over even though I thought we'd last
But somehow you just think that you can hold on to the past
You hate it that I'm doin' fine without you in my life
But I bet you never guessed that I'd be someone else's wife

You deceived me
Thought you'd love me, then you'd leave me
Played your games
Yeah, you had your fun
Boy believe me
If you think I still need you,
Boy you're wrong
'Cause you're not the one (you're not the one)

Lately in the middle of the nights
You decide to call
Tellin' me you want me back and that I am your all
Ever since we parted those 3 little words you refused to say
Are said to me so sweetly almost every single day

Theres no use in lying 'cause I really love my man
Theres no use in tryin' 'cause I can see right through your plan
It's time that you move on and make yourself a brand new start
But I wouldn't be surprised
If next time someone breaks your heart

You deceived me
Thought you'd love me, then you'd leave me
Played your games
Yeah, you had your fun

Boy believe me
If you think I still need you,
Boy you're wrong
'Cause you're not the one (you're not the one)

(scatting)

Theres no use in lying 'cause I really love my man
Theres no use in tryin', I can see right though your plan
Its time that you move on and make yourself a brand
new start
But I wouldn't be surprised
If next time someone breaks your heart

You deceived me
Thought you'd love me, then you'd leave me
Played your games
Yeah, you had your fun
Boy believe me
If you think I still need you,
Boy you're wrong
'Cause you're not the one (you're not the one)
