GLORIA:

Love me or leave me, and let me be lonely.
You won't believe me and I love you only,
I'd rather be lonely than happy with somebody else.
You might find the night time the right time for kissing,
but night time is my time for just reminiscing,
regretting instead of forgetting with somebody else.
There'll be no one, unless that someone is you,
I intend to be independently blue.
I want your love, but I don't want to borrow,
to have it today and give back tomorrow.
For my love is your love,
there's no love for nobody else.
