Clap, clap your hands  
Clap your hands  
Boys, how 'bout you grab your girls?  
Clap your hands  
Clap your hands  
Raise 'em if you understand  
Clap your hands  
Clap your hands  
Girls, how 'bout you grab your boys?  
Clap your hands, clap your hands

I did not expect to be faced with a person so aware  
Oh, it's not enough to  
It's not enough to  
It's not enough to change my view of everything I've  
learned  
And I hoped that you could understand

She's the kind of girl that's always good to go for a  
good time  
What else? Who knows?  
I sure don't  
You're not picky and you haven't any tact  
You're the kind of girl that ruins it for girls with (class)

You never say no  
No, you never say no
