who knows why
sometimes the past hangs around
in my eyes
its a blessing dressed and disguised
with every
photoflash gracing and chasing light
we recieve a view of better and less jaded times
im reminiscing watching tapes
remembering days
how about that time we stayed up at your moms place?
i had hoped
you would see
that memories are all we carry
with everyday
visions fade
and im pulled farther away
exactly
why I sometimes cant believe the sight
of all these
photos and the past brought back to life
i knew
that we'd understand
in years to be
well they came so fast
im reminiscing watching tapes
remembering days
how about that time we stayed up at your moms place?
i had hoped
you would see
that memories are all we carry
with everyday
visions fade
and im pulled farther away
so so
maybe youll understand
know know
that I just want to ask
though though
those days are so far past
know know
that I just want to go back

want to go back
