Sometimes I
I'd like to
understand just why you'd
crumble me up and throw us away
I feel so used and lied to
more hurt than I'd like to
publicly admit but now it's too late
it's too late
you just wait
here's to fireworks and fireflies
and sharing looks and making eyes
the kind that lead to laughs and sighs when spread
across a summer sky
what's so wrong with sing-alongs to melodies from July
songs
I'm so I'm so doing fine on my own
I'm convinced this summer's better spent alone
(summer's better spent alone)
do I speak to spite you?
take this as you'd like to
I could use some time to get things straight
grant me this grand stand
I'll keep you guessing
all along the plans
been to teach lessons
here's to fireworks and fireflies
and sharing looks and making eyes
the kind that lead to laughs and sighs when spread
across a summer sky
what's so wrong with sing-alongs to melodies from July
songs
I'm so I'm so doing fine on my own
I'm convinced this summer's better spent alone
who's it this time and why must my eyes
be forced to watch it happening?
enjoy the ride
you will for a time
cause I can see through you like no one else
like no one else can
here's to fireworks and fireflies
and sharing looks and making eyes

the kind that lead to laughs and sighs when spread
across a summer sky
whats so wrong with sing-alongs to melodies from July
songs
Im so Im so doing fine on my own
Im convinced this summers better spent alone
(summers better spent alone)
(youve made this so hard/ on me so far)
