we're pushing iceburgs with our thumbs
and everything you said means nothing much
is february always this cold?
only when youre around
so we all
entertain a tale or two
pour another glass of you
ill stay honest if no ones daring to
looking at my watch so soon
cant believe its quarter to
im still up as if i expected you
please go ahead right now
keep searching all year round
youll luck out as iceburgs tend to
enjoy your ups and downs
such frequent turnarounds
youll luck out before i ever do
oh im just too good
at teaching pennies to shine like quarters and silver
dollars well from now on
im only polishing myself
a little hustle and bustle never hurt anyone
lets share plans to forget
forget to tell everyone
that you always meant nothing
as i did along
now lets shake on our pact and share laughs all day
long
