and we'll all be  
exactly what you wanted  
and that seems more than I could  
ever really be  
guess that I could  
watch out for discrepancies  
between conflicting policies  
and prove your point  
never thought that you'd last  
your foot steps and handclaps  
like melodies  
with your confident gestures  
im calling all extras  
get off that screen  
know that its not saying much but  
id love to be that one  
can I see you around?  
id pick you way  
way up  
way way/ way so high I cant beleive  
that im
