I can see you now living like a queen  
In a house that has everything, everything but love  
Crystal chandeliers, chauffeured limousines  
Yes you'll really have everything, everything but love

I see diamonds, rubies, sapphires and pearls  
And as the picture clears  
Poor little rich girl sitting all alone  
Counting her treasures in tears  
Better just a shack where two people care  
Than a house that has everything, everything but love

I see diamonds, rubies, sapphires and pearls  
And as the picture clears  
Poor little rich girl sitting all alone  
Counting her treasures in tears  
Better just a shack where two people care  
Than a house that has everything, everything but love  
Than a house that has everything, everything but love
