A little less conversation, a little more action please  
All this aggravation ain't satisfactioning me  
A little more bite and a little less bark  
A little less fight and a little more spark  
Close your mouth and open up your heart and baby  
satisfy me  
Satisfy me baby

Baby close your eyes and listen to the music  
Drifting through a summer breeze  
It's a groovy night and I can show you how to use it  
Come along with me and put your mind at ease

A little less conversation, a little more action please  
All this aggravation ain't satisfactioning me  
A little more bite and a little less bark  
A little less fight and a little more spark  
Close your mouth and open up your heart and baby  
satisfy me  
Satisfy me baby

Come on baby I'm tired of talking  
Grab your coat and let's start walking  
Come on, come on  
Come on, come on  
Come on, come on  
Don't procrastinate, don't articulate  
Girl it's getting late, gettin' upset waitin' around

A little less conversation, a little more action please  
All this aggravation ain't satisfactioning me  
A little more bite and a little less bark  
A little less fight and a little more spark  
Close your mouth and open up your heart and baby  
satisfy me  
Satisfy me baby
