With eyes that hide the man within  
You see behind the eyes of, other men  
You've lived and died and come to life again  
And now you stand alone at the crossroads of your  
mind  
You've left your yesterdays behind..  
But which road leads you to tomorrow?  
Charro...

You've turned your back on yesterday  
Betrayed a man who swore he'd make you pay  
For when you left you took his pride away  
You know he'll never let you break away so easily  
You'll have to fight, before you're free  
But how much more time can you borrow?  
Charro...

Now in a single moment your past grows dim  
One thought goes racing across your mind  
You ride to meet the woman you stole from him  
Oh no!...Charro don't go!...  
Charro don't go!!...

There's something hanging, in the wind  
Your past is catching up and closing in  
You've been halfway to hell and back again  
And now you laugh in the devil's face  
with your last breath...  
You'll run a race with life and death...  
But will you live to see tomorrow?

Charro...
