Let's snap our fingers clap our hands  
Down by the riverside, down by the riverside, down by  
the riverside  
Let's give 'em what the song demands  
Down by the riverside, down by the riverside

We'll hear them playing keep that beat  
Down by the riverside, down by the riverside, down by  
the riverside  
Let's get together what a treat  
Down by the riverside, down by the riverside

Strike up the band, start the parade  
Don't let that grand old rhythm fade  
Just play that drum, play that number  
When the saints come marchin' in

Shake tambourines, play that cornet  
Crank up that horn you won't forget  
Your heart will hum to that number  
When the saints come marchin' in

The cymbals clang, just pound that beat  
Sounds like a hundred marching feet  
It's fun to join in that number  
When the saints come marchin' in

See banners wave, oh hear that ring  
We all feel prouder than a king  
'Cause everyone, everyone loves that number  
When the saints come marchin' in
