(Words & music by Larry Gatlin)

Lord, Help me walk
another mile, just one more mile;
I'm tired of walkin' all alone.
Lord, Help me smile
another smile, just one more smile;
I know I just can't make it on my own.
I never thought I needed help before;
I thought that I could do things by myself.
Now I know I just can't take it any more.
With a humble heart, on bended knee,
I'm beggin' You, please, Help Me.
Come down from Your golden
throne to me, to lowly me;
I need to feel the touch of Your tender hand.
Remove the chains of darkness
and let me see, Lord let me see;
Just where I fit into your master plan.
I never thought I needed help before;
I thought that I could do things by myself.
Now I know I just can't take it any more.
With a humble heart, on bended knee,
I'm beggin' You, please, Help Me.
