Take the ribbons from your hair
Shake it loose and let it fall
Lay it soft against you skin
Like the shadows on the wall
Come and lay here by my side
Tell the Earth upon you lied
All I'm takin' is your time
Help me make it through the night
I don't know what's right or wrong
I don't try to understand
Let the devil take tomorrow
'Cause tonight I need a drink
Yesterday's dead and gone
And tomorrow's out of sight
Yes, it saddenss me long
Help me make it through the night
Yes, it saddenss me long....
Help me make it through the night.
