Well I know, if I'd arrived in time to know you You'd have taken the time to show me I wouldn't be lonely

Where will I go, who will I have to lie beside me Is it something that's inside me I'm so lonely

Tried so hard each time, each time I just can't make it Feelin' fast vibrations and I just can't take it Living from day to day, chasing the dream I'm, I'm leavin

Tried so hard each time, each time I just can't make it Feelin' fast vibrations and I just can't take it Living from day to day, chasing the dream I'm. I'm leavin
