(Words & music by J. Rostill)

Wherever you go

Wherever you may wonder in your life

Well surely you know, I always wanna be there

Holding your hand

And standing by to catch you when you fall

Seeing you through, in everything you do

I said let me be there in your morning

Let me be there in your night

Let me change whatever's wrong and make it right

Let me take you to that wonderland that only two can
share

All I ask you, is let me be there

Watching you grow

And going through the changes in your life

That's how I know, I always wanna to be there

Whenever you feel you need a friend to lean on

Here I am

Whenever you call, you know I'll be there

I said let me be there in your morning

Let me be there in your night

Let me change whatever's wrong and make it right

Let me take you to that wonderland that only two can
share

All I ask you, is let me be there

Let me be there in your morning

Let me be there in your night

Let me change whatever's wrong and make it right

Let me take you to that wonderland that only two can
share

All I ask you, is let me be there

All I ask you is let me be there

I said let me be there in your morning

Let me be there in your night

Let me change whatever's wrong and make it right

Let me take you to that wonderland that only two can
share

All I ask you, is let me be there

All I ask you is let me be there
