I went and bought myself a ticket and I sat down in the
very first row
They pulled the curtain but then when they turned the
spotlight way down low
Little Egypt came out a-struttin' wearin' nothin' but a
button and a bow
Singing, ying-ying, ying-ying, ying-ying, ying-ying

She had a ruby on her tummy and a diamond big as
Texas on her toe
She let her hair down and she did the hoochie-coochie
real slow
When she did her special number on the zebra skin I
thought she'd stop the show
Singing, ying-ying, ying-ying, ying-ying, ying-ying

She did her triple somersault and when she hit the
ground
She winked at the audience and then she turned
around
She had a picture of a cowboy tatooed on her spine
Said, Phoenix, Arizona 1949

Yeh, let me tell you people Little Egypt doesn't dance
there anymore
She's too busy mopping and a-takin' care of shopping
at the store
'Cos we've got seven kids and all day long they crawl
around the floor
Singing ying-ying, ying-ying, ying-ying, ying-ying
