Who made the mountains, who made the trees  
Who made the rivers flow to the sea  
And who sends the rain when the earth is dry  
Somebody bigger than you and I

Who made the flowers to bloom in the spring  
Who made the song for the robins to sing  
And who hung the moon and the stars in the sky  
Somebody bigger than you and I

He lights the way when the road is long  
He keeps you company  
And with His love to guide you  
He walks beside you  
Just like He walks with me

When were filled with despair  
Who gives me courage to go from there  
And who gives me faith that will never die  
Somebody bigger than you and I
