When you say that's it boy  
I'm finally beat  
You're goin' ninety miles an hour  
Down a dead end street

You don't want to fight no more  
You think that you can't win  
Come on boy take a real deep breath  
Jump right in and

Hold your head up high  
Oh you gotta be strong  
Come on and sing, sing, sing  
There ain't nothing like a song

Now they may take away your job  
Take your fancy car  
They may repossess your clothes, take that fine guitar  
They may take everything you own  
Well that's just for today  
As long as you've got a song in your heart  
Tomorrow's gonna be O.K.

Hold your head up high  
Oh you gotta be strong  
Come on and sing, sing, sing  
There ain't nothing like a song  
All right

There ain't nothing gonna stop you  
Once you've set your mind  
The only people gonna knock you  
Are jealous of what they find  
Just keep a smile right on your face  
Don't let 'em get you down  
When you wake up tomorrow  
The world is spinnin' round

Hold your head up high, hey, hey, hey  
You gotta be strong, all right  
Come on and sing, sing, sing

There ain't nothing like a song

Well lovin's all that I can give you

(Baby that's enough)

You ain't easy to satisfy

(Baby I ain't that tough)

Now hey little girl you're about the wildest

Thing I've ever seen

(When I'm with you baby I'm a lovin' machine)

Come on and kiss me honey

Oh you gotta be strong

Come on and sing, sing

There ain't nothing like a song

Come on and sing, (sing) sing

(sing) sing, (sing) sing There ain't nothing like a song
