Hold me tight  
The moons so bright  
Tonight is so right for love

Nows the time to say  
Youre the only one  
Tonight is so right for love

One by one the stars appear  
They twinkle in your eyes  
Whod believe that wed be here  
So near to paradise

This could be the kiss  
To unlock heavens door  
That magic hour of bliss  
That we both waited for  
I love more and more

Oh we could fly right up to the sky  
The things weve been dreaming of  
And how real they would seem  
A midsummernights dream  
Cant you see that tonights so right for love

And how real they would seem  
A midsummernights dream  
Cant you see that tonights so right for love

Hold me tight  
The moons so bright  
Tonight is so right for love
