Who dat who dat, the nigga you been waitin 4.
I mean the shit was all bad just a week ago.
Rappers is bull shittin. fuck it,
I ain't hatin though
Cuz Now a nigga hot enough to
fuck with one of satan's hoes
& She cant tell the difference.
I been through helli»¿ conditions.
Wishin for air conditions
feelin God was never listenin.
Now I'm on television
And did I fail to mention?
Your bitche is tired of missionary,
boy you failed the mission.
Speakin of positionsi»¿ Just witness
how i elevated. Real niggas celebrate it, finger-fuck
whoever hate it. My life accelerated,
but had to wait my turn. Then i redecorated,
that means my tables turn. Live life, might as well,
only way to learn. is try and fail clientele
the only way to earn. so if you're sellin crack..
or if you're sellin rap. make sure it's mean
so them fiends keep on trailin back.
(chorus)
who dat who dat bitch i got the flame (x3)
so dont worry bout no muthafuckin name
[verse 2]

The Mind state of a winner.
When you thinkin bout summertime
i'm thinkin bout the winter.
When you thinkin bout breakfast,
I'm heatin up my dinner. I was plottin this
moment back when yall was ridin spinners.
Now I'm a menace. God as my witness, with this pen
I'm insane, yup.
Hungry like the nigga who ain't got the taste of fame
yet.
Cloud told me "ain't you roc? welli»¿ where the fuck yo
chain at?"
Guess it's somethin like your girl nigga, it aint came

yet.

The man make the chain chain dont make the man
how many niggas do we know with hella ice but yet they
lame

the cloth from which we came me and them is not the
same

Like we all headed to spain, they took the boat nigga i
took the plane.Dang

That boy sick.Now Hoes on his joystick. Heatin up like
may weather dog

i'm on that floyyd shyt.

Boy stick, to ya day job.

Said you was hot but they lied.

Is that ya girl? Well I just g'd her/jeter no a rod.

(chorus)
