Standing  
In the doorway  
About to leave me for good this time  
She's standing  
Handing me my chain  
And the keys and the bracelet  
I got her for our two years  
She said there's nothing left to do here  
There's no more love  
I'm leaving you here  
And she turned away  
And I see two years fall to the ground

I'm saying don't go  
Cuz you make sleeping difficult  
You make it difficult for me  
Don't go  
And you make eating difficult  
You make it difficult for me  
Don't go  
It's almost impossible  
Almost impossible to breathe  
Don't go  
Cuz you make living difficult  
When you're not here with me

And I can tell that deep in her heart  
She would like to stay  
Because she loves me  
And she knows that I love her too  
She just hates the way I get neglectful  
And some times a little disrespectful  
In front of my friends  
Baby don't let go  
Cuz all that I need is you (You)  
So as a fool

I'm saying don't go  
Cuz you make sleeping difficult  
You make it difficult for me  
Don't go

And you make eating difficult  
You make it difficult for me  
Don't go  
It's almost impossible  
Almost impossible to breathe  
Don't go  
Cuz you make living difficult  
When you're not here with me

Cuz it makes no sense  
To break-up over silly arguments  
If we both know  
That what we've got is real  
So I'm begging you don't go baby

Don't go  
Cuz you make sleeping difficult  
You make it difficult for me  
Don't go  
And you make eating difficult  
You make it difficult for me  
Don't go  
It's almost impossible  
Almost impossible to breathe  
Don't go  
Cuz you make living difficult  
When you're not here with me  
You make it difficult
