its that time baby
i need you to put your drinks down
And go to the floor cuz right now your on holiday radio
We bout to take it back to the 80's right now...

Oh.... baby.... love me right
Let me love you till we get it right (love you till we get it
right)
Can't you let the others be
'Cause with you is where I got to be (gotta be)

Oh, sugar... where you been
Hangin' out with your male friends (out with your male
friends)
Somebody's going to hurt you
The way you love to keep hurting me
& we'll say...

Oh, oh Sheila
Let me love you Till the morning comes (only till the
morning baby)
Oh, oh Sheila
you know I want To be the only one

Oh, baby, un-der-stand
that I want to be the only man (wanna be the only man)
But since you're playing hard to get
I think its time to find some other friends

Oh, sugar, it's plain to see
That you're qualified to fill your needs
you think you got one over on me
Honey, baby, just you wait and see

o0o0ohhh.....

Oh, oh.... Sheila
Let me love you Till the morning comes (let me love you
baby, yeah)
Oh, oh Sheila
you know I want To be the only one (o0o0ohh)

And now she asking where her girl go

And that chicks stuck with urkel
