shining armor, but baby you got to let me, oh yeah,

just like in the movies baby ima come to your rescue,
ima rescue you, and I know this might sound crazy, but
i think im here to protect you, so girl can you stop
running, this aint that kind of lovin' i got ya, just run
onto my arms, and i will show you girl, baby you can
run into my arms, and baby you know that i will do no
harm, cause i can be your everything, your superman,
whatever you need, i can be,
just run into my arms,

but baby girl, you been hurt i know that your heart is
half gone, but i promise that you'll be my queen, if you
let me,

i want to be your everything, i want to be your knight in
shining armor, but baby you got to let me,ohhh

just like in the movies baby ima come to your rescue,
ima rescue you, and I know this might sound crazy, but
i think im here to protect ya, so girl can you stop
running, this aint that kind of lovin' i got ya, just run
onto my arms, and baby i will show you, baby you can
run into my and baby you know that i will do no harm,
cause i can be your everything, your superman,
whatever you need, i can be, just run into my arms,

girl dont be afraid, give me you hand and lets just slide
away, baby you know i'll always keep you safe, and girl
i promise that i love you, i wont do you wrong, just open
up your heart and baby run into my arms, baby you can

run into my arms, and baby you know that i wont do no
harm, cause i can be your everything your superman,
whatever you need,i can be, just run into my arms,

baby you can run into my arms, and baby you know that
i wont do no harm, cause i can be your everything your
superman, whatever you need,i can be, baby just run
into my arms,

just call me holiday, holiday,just just call me holiday.
