Oh let it begin
Let it begin
Let it begin

Oh darlin
You are the son of an evil man
I know you hate yourself
But you're nothing like him
And it's over now
You can pick yourself off the ground
Cause your cool now
And you're nothing like him

I've seen the world
And there's no heave and there's no hell
I've seen the world
And there's no heave and there's no hell

And i believe
That when we die, we die
So let me love you tonight
Let me love you tonight

Oh let it begin
Let it begin
Let it begin

Oh you're a pretty thing
But your full of fear
Well, not here
No, never here
You can love them
You can hate them
You never wronged them
So you don't owe them

I've seen the world
And there's no heave and there's no hell
I've seen the world
And there's no heave and there's no hell

And i believe

That when we die, we die
So let me love you tonight
Let me love you tonight

You can love them
You can hate them
You never wronged them
So you don't owe them

And i believe
That when we die, we die
So let me love you tonight
Let me love you tonight
