Oh baby, I don't know what to do with myself
Oh honey, I don't know what to do with myself
I'm sleepin' in the kitchen (sleepin' in the kitchen)
I'm eaten' in the bedroom (eaten' in the bedroom)
And everything is backwards (everything is backwards)
I wish I never met you (wish I never met you)

And I don't know what to do,
when I see you holding someone elses hand
And I don't know what to say,
cuz' when I open my mouth I always sound so stupid
How am I gonna make you mine,
how am I gonna make you mine?

Oh baby, I don't know how you live with yourself
Sweet honey, you know I don't want nobody else

I'm sleepin' through the day (sleepin' through the day)
I'm mopin' through the night (mopin' through the night)
I hope you love me some day (love me some day)
So I can hold you through the night (hold you through
the night)

And I don't know what to do,
when I see you holding someone elses hand
And I don't know what to say,
cuz' when I open my mouth I always sound so stupid
How am I gonna make you mine,
how am I gonna make you mine?

And I don't know what to do,
when I see you holding someone elses hand
And I don't know what to say,
cuz' when I open my mouth I always sound so stupid
