The Drums
"Skippin' Town"

I know your trying to kill me,
I know your trying to kill me
As your chasing me around town,
Until I turn around
Yeah, your chasing me around town
Until I turn around

Oh, I cannot take anymore,
do you want me to skip town?
Do you want me to come round'?
I cannot take anymore
Do you want me to skip town?
Do you want me to come round'?

I know when your trying to kiss me
I know your really trying to kill me
As your driving me around town

In your car
You drive it off a bridge and crash it to the ground
Your following me 'round town until I turn around

Oh, I cannot take anymore
Do you want me to skip town?,
Do you want me to come 'round
I cannot take anymore
Do you want me to skip town?,
Do you want me to come 'round?

Oh, I cannot take anymore
Do you want me to skip town?,
Do you want me to come 'round
I cannot take anymore
Do you want me to skip town?,
Do you want me to come 'round?
