Got myself a crying, talking, sleeping, walking, living  
doll  
Got to do my best to please her, just 'cause she's a  
livingdoll  
Got a roving eye and that is why she satisfies my soul  
Got the one and only walking talking, living doll

Take a look at her hair, it's real  
And if you don't believe what I say, just feel  
I'm gonna lock her up in a trunk  
So no big hunk can steal her away from me

Got myself a crying, talking, sleeping, walking, living  
doll  
Got to do my best to please her, just 'cause she's a  
livingdoll

Got a roving eye and that is why she satisfies my soul  
Got the one and only walking talking, living doll

Well, take a look at her hair, it's real  
And if you don't believe what I say, just feel  
Gonna lock her up in a trunk  
So no big hunk can steal her away from me

Got myself a crying, talking, sleeping, walking, living  
doll  
Got to do my best to please her, just 'cause she's a  
livingdoll  
Got a roving eye and that is why she satisfies my soul  
Got the one and only walking talking, living doll
