"Right Here Waiting"

Oceans apart
Day after day
And i slowly go insane
I hear your voice
On the line
But it doesn't stop the pain
I see you next to never
How can we stay forever

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I took for granted
All the time
That i thought would last somehow
I hear the laughter and i taste the tears
But i can't get near you now
Oh can you see it baby
You've got me goin' crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I wonder how we came so survive
This romance, but in the end just with you
I'll take the chance...
