When no one else  
Can understand me  
When everything  
I do is wrong  
You give me hope  
And consolation  
You give me strength  
To carry on

And you try to show  
Your love for me  
In everything you do  
That's the wonder  
The wonder of you  
(Oh wonder of you-ou-ou)

And when you smile  
The world is brighter  
You touch my hand  
And I'm a king  
Your kiss to me  
Is worth a fortune  
Your love to me  
Is everything

And you're always there  
To lend a hand  
In all I try to do  
That's the wonder  
The wonder of you

[Brief Interlude]

I guess I'll never know  
The reason why  
You love me as you do  
That's the wonder  
The wonder of you
