When My Little Girl Is Smiling
There's nothing more I can Say.
I see those big bright eyes
And then I realize
That girl is gonna get her way

When My Little Girl Is Smiling
I can't stay mad at her for long.
Why should I want to fight
When I can hold her tight?
I just don't care who's right or wrong.

When My Little Girl Is Smiling

It's the greatest thrill there can be.
She gets her way it's true,
But I know I won't be blue
As long as she just smiles for me

She gets her way it's true,
But I know I won't be blue
As long as she just smiles for me
When My Little Girl Is Smiling
When My Little Girl Is Smiling
When My Little Girl Is Smiling
