Right now behind my eyes
It's early morning
I'm trying to get you but you don't understand
I'm so cheap
Right now behind true lies
A dragon's tongue lashing out
I'm trying to get you but you don't realize
I'm a nightmare

Ooh, I know, it's coming back
And I say ooh, oh lord, yeah it's driving me mad

Then again another weekend
A [...] flashing out
I'm trying to catch you but you don't realize
I'm such a freak
I'm trying to grab you but you don't understand
I'm so weak

Ooh, I know, it's coming back
And I say ooh, Jesus Christ, yeah it's driving me mad

Right then behind my lies
Some scratch lashing out
I'm trying to hold you but you don't want to know
I'm so cheap
You're trying to hurt me
But I won't let you go
I'm so cheap

Ooh, I know, it's coming back
And I say ooh, lord, yeah it's driving me mad

Oh no, please, don't leave, don't go

Ooh, I know, it's coming back
Darling, darling... you're mean
Mean to me

Ooh, I know, it's coming back
Oh no

Hold back
Ooh, oh lord, yeah it's coming back
And I say ooo, Jesus Christ, yeah it's driving me mad
I said it's driving me mad
It's driving me mad
Yeah it's driving me mad
Yeah it's driving me mad
But no more no more no more no more
No more no more no more
I said, higher higher higher higher
I'm coming up to meet you
Higher higher higher higher
I'm coming up to meet you, yeah
I'm coming up to meet you, yeah
