Time changes every idea I've ever had
Oh such a heavy love, rolls out like a blanket

Why must it fold up on me? (x2)

Slow replies when I'm hungry enough to give
Lust is thrown around my room I better get out of here

You can lead me on all of the way home (x2)

Chorus

Don't wait, don't wait, don't wait for too long,
Don't say, don't say, don't say a word
(Repeat)

Ooooooh ooooooh, Ooooooh ooh

You drugged my will with a broad acre smile
Who gave permission to drive me this wild?

Oh the longing is always so so (x2)

Chorus

Don't wait, don't wait, don't wait for too long,
Don't say, don't say, don't say a word
(Repeat)

I don't wait, don't you wait, don't wait for too long,
Don't say, don't say, don't say that we should

Ride on until you feel you belong
Ride on and on and on
Ride, ride on until you feel you belong
Ride, ride on and on and on
Ride, ride on until you feel you belong
Ride, ride on and on and on
