"Now Be Still"

Sometime vision re-appears
I see the eyes and not the tears
Remember what took you away from home
It was good

The glue that binds us, suffers not
I feel apart but tied with knots
Hold me inside nature's cut
It was good

Now be full
Now be still
Now be full
and don't be a fool
A-woool
A-woool
A-woool
A-woool

Feathers showing on my flight
Not with your bloody bones
But with ideas if they're good
If they're good...

Now be full
Now be still
Now be full
and don't be a fool
A-woool
A-woool

Nothing separates a soul
Nothing separates a soul
Nothing separates a soul
As winter in a writhing heart
Nothing separates a soul

Now be a full
Now be still
Now be full
Don't be a fool

A-woool
A-woool
A-woool
