Tudu, tudu, tu du du tu  
Tudu, tudu, tu du du tu

Yes, I want your token of honor, babe  
Tudu, tudu, tu du du tu  
I like to make us both feel the same way  
Tudu, tudu, tu du du tu  
Oh, you'll always seek to remember  
Tudu, tudu, tu du du tu

Don't be too scared away  
You only burned your tongue  
You taste so good today  
You'd get love from anyone

Oh, you really wake up the love in me  
Yeah, you always stir up the sea, oh  
Oh, you really wake up the love in me  
Yeah, you always stir up the sea, yeah

Tudu, tudu, tu du du tu  
Don't forget to pour in forever  
TTudu, tudu, tu du du tu  
A stream of joy for you and another, oh  
Tudu, tudu, tu du du tu  
I like to make us both feel the same way  
Tudu, tudu, tu du du tu

Don't be too scared away  
I see you turn to run, oh  
You feel so good today  
You'd get love from anyone

Yeah, you really wake up the love in me  
Yeah, you always stir up the sea, yeah  
Oh, you really shake up the love in me  
Yeah, you always stir up the sea, oh

Ooh, you shake me, ooh

Tudu, tudu, tu du du tu  
Tudu, tudu, tu du du tu

Tudu, tudu, tu du du tu  
Tudu, tudu, tu du du tu  
Tudu, tudu, tu du du tu

The sea  
Tudu, tudu, tu du du tu  
The waves  
Tudu, tudu, tu du du tu  
Yeah, the sea, oh  
Tudu, tudu, tu du du tu  
Yeah, the sea
