I believe in love
And in my dreams you're so romantic
I got this feeling in the middle of the night
'Cause baby
I believe in love
And with your joy you make me frenzy
Somebody help me in the middle of the night
Of the night

Suddenly
You just broke my heart
No time to run
No place to hide my soul
You're so deep inside my mind
And now I need your love
Close your eyes, baby
Come to me
I'll love you more than yesterday
My love, without you life's black and white
Don't let me down tonight
I don't know what the people say
I don't know why my heart is so weak
Could it be you?
Now I'm loosing my mind
Please take my hand

Cause baby...

Close your eyes, baby
Come to me
I'll love you more than yesterday
My love, without you life's black and white
Don't let me down tonight
I don't know what the people say
I don't know why my heart is so weak
Could it be you
Now I'm loosing my mind
Please take my hand

Cause baby...
