Whoa, lovers come, lovers go
Some say goodbye and some say hello
The play with your love, they play with your soul
Abuse what you give, what you own
Lovers come, lovers go
Some ,and some be,
The pain is so deep, the feeling's so low
The moment has come when you show

You'll never gonna put me down
You'll never gonna make me cry
You'll never gonna break my heart
No, no, never again
You'll never gonna scar my soul
You'll never gonna tell me lies
You'll never gonna cheat on me
Cause I'm over you now
You'll never gonna scar my soul
You'll never gonna tell me lies
You'll never gonna cheat on me
Cause I'm over you now

Whoa, lovers come, lovers go
Some say goodbye and some say hello
The play with your love, they play with your soul
Abuse what you give, what you own
Lovers come, lovers go
Some be fast and so be slow
The pain is so deep, the feeling's so low
The moment has come when you show

You'll never gonna put me down
You'll never gonna make me cry
You'll never gonna break my heart
No, no, never again
You'll never gonna scar my soul
You'll never gonna tell me lies
You'll never gonna cheat on me
Cause I'm over you now
You'll never gonna scar my soul
You'll never gonna tell me lies

You'll never gonna cheat on me
Cause I'm over you now.
