Chorus:

Now what we rep, the 41st Side
Until we die, the 41st Side (Yo dun)
We only ride with the 41st Side (cuz)
Cuz we only gon' survive with the 41st Side

[Bigga Du]

It go, one for the money, two for the ?way?
Three is for the thangs that makes ya body bleed
Four, we want more

Forever poppin, album droppin and we coppin
Escalades, Navi's sittin on blades

We earn these checks its a Queensbridge thing
Rep the hill, where duns blow steel
Fuck a record deal we independent forreal
Lake Luchi, Bigga Du from QB

Though I'm more than gold, this album plaque for me
If you really wanna know its Artillery's beat
Fuck an invoice you get my verse for free
Fuck an invoice you get my verse for free

[Fly Tye]

Aiyyo aiyyo, cop coke, cook it, estimate fractions
Choppin rocks, no more hand to hand transactions
Either rap or crack in gonna get me rich
Thats why I choose loot over my bitch (Thats real)
And its fucked how I be and how I feel
I live by two codes: Get dough and don't squeal
Don't kiss ass, take no shit, and won't ???

Pants saggin low, loose cracks, toes steel
And ain't no nigga this nigga won't kill
But everybody got guns and all guns kill
And I'm gon' get you first and hit you worst
Can you relate to the realness said in this verse
