Oh in a second you'll be wrapped around my finger

Cause I can cause I can do it better

There's no other

So whens it gonna sink in?

Shes so stupid what the hell were you thinking

Oh in a second you'll be wrapped around my finger

Cause I can cause I can do it better

There's no other

So whens it gonna sink in?

Shes so stupid what the hell were you thinking

You wave goodbye

Your girls a bird

You by my side

Make it work

You and her that sounds absurd
