It was a Saturday night without a whole lot shakin'  
Ooh my ooh my I was bored  
I had my best duds on it was a chance worth takin'  
Somehow I was still ignored  
Been too long since I been shy and lonely  
Ooh, but that's okay  
Need some gal to be my one and only

I got a wink and a smile from a flashy filly  
Ooh my ooh my she looked grand  
She said "I like your style, now don't go acting silly..."  
Ooh my ooh, she grabbed my hand  
Never thought that I could shake and groove it  
Now I'm a dancin' fool  
Dug my feet cause they could really move it.

She got the message across and me and her got  
kissin'  
Ooh my ooh my havin' fun  
I know that this is the thing that I've been really missin'  
One more dance has just begun  
No more time for feelin' shy and lonely  
Now I'm a dancin' fool  
Found some gal to be my one and only  
Ooh, I'm a dancin' fool  
I'm a dancin' fool, I'm a dancer...
