

Guess Who, The "Don't You Want Me"

Don't you want me
Don't you want me
Baby listen deed I do

Tell me lovin' things and the sounds I crave
Never let the chance roll by
But you'll be hanging from a Sycamore tree
If you're dancing with another guy

Well don't you want me
Don't you want me
Baby listen deed I do

I'll kill your kid sister, I'll murder your dad
I'll rip the lashes off your eye
I'll slaughter all your cattle and I'll burn your crops
If you're dancing with another guy

Don't you want me
Don't you want me
Baby listen deed I do
