

Guess Who, The "No Time"

No time left for you
On my way to better things
No time left for you
I'll find myself some wings
No time left for you
Distant roads are calling me
No time left for you.

No time for a summer friend
No time for the love you send
Seasons change and so did I
You need not wonder why
You need not wonder why
There's no time left for you
No time left for you.

No time left for you
On my way to better things
No time left for you
I'll find myself some wings
No time left for you
Distant roads are calling me
No time left for you.

No time for a gentle rain
No time for my watch and chain
No time for revolving doors
No time for the killing floor
No time for the killing floor
There's no time left for you
No time left for you.

No time for a summer friend
No time for the love you send
Seasons change and so did I
You need not wonder why
You need not wonder why
There's no time left for you
No time left for you.
