She's come undone  
She didn't know what she was headed for  
And when I found what she was headed for  
It was too late

She's come undone  
She found a mountain that was far too high  
And when she found out she couldn't fly  
It was too late

It's too late  
She's gone too far  
She's lost the sun

She's come undone  
She wanted truth but all she got was lies  
Came the time to realize  
And it was too late

She's come undone  
She didn't know what she was headed for  
And when I found what she was headed for  
Mama, it was too late

It's too late  
She's gone too far  
She's lost the sun  
She's come undone

Too many mountains and not enough stairs to climb  
Too many churches and not enough truth  
Too many people and not enough eyes to see  
Too many lives to lead and not enough time

It's too late  
She's gone too far  
She's lost the sun  
She's come undone

It's too late  
She's gone too far

She's lost the sun

She's come undone

She didn't know what she was headed for  
And when I found what she was headed for  
It was too late

She's come undone

She found a mountain that was far too high  
And when she found out she couldn't fly  
Mama, it was too late

It's too late

She's gone too far  
She's lost the sun  
She's come undone
