Well now they started Skinny Minnie and it turned to  
Ginny Ginny  
With the Dizzy Miss Lizzy Blues,  
She smiled while we were strollin' and I knew that I was  
rollin'  
Had to tell my big buddy the news.

It's not the magic  
It's not the music  
It's not the moonlight  
I don't know when I felt like this before,  
About ten years time ago...  
When the band was singin' "Shakin' all Over."

Well now they gave us Juicy Lucy and we did the Watusi  
In a rockin' pair of blue suede shoes,  
What she don't know won't hurt her even though I might  
desert her  
Got to tell my best buddy the news.

It's not the magic  
It's not the music  
It's not the moonlight  
I don't know  
I think I've only felt like this one time before,  
About ten long years ago...  
When the band was singin' "Shakin' All Over."
